

BARRIER PACKAGING SOLUTIONS: A Challenge for the Circular Economy

10 - 11 APRIL 2024, VALENCIA

www.meetingpack.com

With an attendance of more than 250 professionals from national and international scope, the 5th edition of MeetingPack, held on the 20th and 21st of April 2022 in the Palacio de Congresos de Valencia, supposed the reaffirmation of the event as a key meeting point in the entire food packaging value chain. Thirty-four speakers, nineteen sponsors and twenty collaborators participated during the two days that the event lasted, presenting their innovations, and sharing ideas in the framework of the circular economy. Furthermore, the event served as an opportunity to promote networking between the participants.

The 6th edition of the event will be held on the **10th and 11th of April 2024** in the same place and tries to serve as a forum for the exchange of innovations and concerns between the different fields of the sector.

- Manufacturers of packaging, packaged materials and equipment
- Distribution
- Food multinationals
- Public managers
- Food rights experts
- Researchers

Below, the different sponsorship modalities are presented:
